As per your request, the District Fire Officer, Dairy Circle Fire Station, Karnataka Fire and Emergency Services, inspected the educational building constructed by M/s. Mysore Educational and Welfare Association (Aikya World School) on 20-03-2026. As per the advisory issued by the Fire and Emergency Services Department, the fire safety measures fire protection and control systems, installation of fire extinguishing equipment, and safety measures have been fully implemented in the educational building. It is also stated that only the fire safety training for the staff/employees of the said building is pending, and such training can be arranged after obtaining the completion certificate.

Therefore, for the educational building constructed at No. 128, 38th Cross, East End Main Road, Jayanagar 9th Block, Bengaluru – 560069, having a height of 18.50 meters consisting of a basement, ground floor, and four upper floors, belonging to M/s. Mysore Educational and Welfare Association (Aikya World School), the Completion Certificate is hereby issued by the Fire and Emergency Services Department subject to the following conditions:

As per the Fire Safety Advisory Letter No. 313/FSR/RFO/Bng-South/2026 dated 06-01-2026, fire protection and control measures, installation of fire extinguishing equipment, and safety measures must be strictly complied with. As agreed in your undertaking letter dated 24-03-2026:

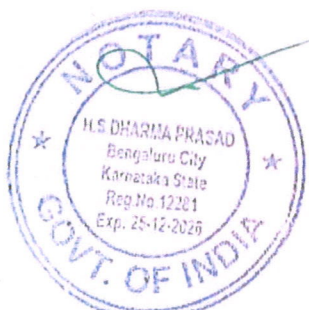

- The fire safety equipment must be maintained in proper working condition at all times.
- At least 40% of the staff/employees of the building must undergo proper training in fire protection and control measures at the R.A. Mundkur Fire and Emergency Services Academy, Bengaluru, within 3 months.

This Completion Certificate shall remain valid until **05-01-2028**. Thereafter, it must be renewed.

Further, if at any time it is found that:

- The fire prevention and firefighting equipment installed as per departmental recommendations are not in proper working condition, or
- Safety measures are not strictly followed, or
- Any additional structures are constructed in the open space left around the building as per legal requirements, or
- Any permanent or temporary obstructions are created,

then this Completion Certificate shall become invalid, and further action will be taken as per law.
