FROM THE LEADERSHIP

Guiding Every Journey

“
Leadership is not
about a title, it's
about making an
impact.”

At Aikya World School, education is not simply the pursuit of academic excellence—it is the journey of discovering purpose, nurturing character, and empowering every child to thrive with confidence.

Every experience, every opportunity, and every milestone is thoughtfully designed to inspire **curiosity**, cultivate **leadership**, and prepare learners for an ever-changing world. Together, we continue building a learning community where **innovation** meets **compassion**, **excellence** is pursued with **integrity**, and every child's **potential** is celebrated.

WHAT GUIDES US

CURIOSITY

We spark wonder and inspire lifelong learners.

LEADERSHIP

We empower learners to lead with empathy and courage.

EXCELLENCE

We pursue excellence with passion and purpose.

INTEGRITY

We act with honesty, respect, and responsibility.

COMMUNITY

We build a safe, inclusive, and collaborative learning community.

FUTURE READY

We prepare learners to innovate and lead tomorrow.

“
*Every child. Every day. Every opportunity.
Together, we shape brighter futures.*

”

MESSAGES FROM OUR LEADERSHIP

Mr. Mohan Babu Krishnam

Founder | Aikya World School

MESSAGE FROM THE FOUNDER

"True education extends far beyond classrooms and examinations. It is about nurturing values, inspiring curiosity, and empowering every child to become a confident, compassionate, and responsible individual. At Aikya World School, we remain committed to creating meaningful learning experiences that prepare our students not only for academic success but also for a lifetime of purpose, leadership, and positive contribution to society."

MESSAGE FROM THE CO-FOUNDER

"Every child possesses unique talents waiting to be discovered and nurtured. Our responsibility is to create an environment where curiosity flourishes, creativity is encouraged, and confidence grows through meaningful experiences. Together with our families and educators, we continue shaping a future where every learner is inspired to dream boldly, embrace challenges, and realise their fullest potential."

Mr. Harish Krishnam

Co-Founder | Aikya World School

MESSAGE FROM THE COO

"Great schools are built through collaboration, innovation, and a shared commitment to continuous growth. Every initiative at Aikya World School is designed to enrich the learning journey, strengthen character, and prepare students to become thoughtful leaders of tomorrow. As we celebrate every milestone together, we remain focused on creating opportunities that inspire excellence, encourage lifelong learning, and empower every child to make a meaningful difference in the world."

LEADFORGE

A Journey Towards Leadership

*"Leadership is not about being chosen to lead.
It is about choosing to serve."*

Leadership is one of the most valuable life skills a child can develop, and at Aikya World School, it begins with meaningful experiences that inspire confidence, responsibility, and purpose. LeadForge is our signature student leadership programme, thoughtfully designed to help learners discover their strengths, embrace accountability, and understand the true essence of servant leadership. Through every stage of the journey, students are encouraged to communicate with confidence, think critically, collaborate respectfully, and lead with integrity.

More than a leadership selection process, LeadForge is a transformative experience that empowers students to recognise that leadership is earned through character, compassion, resilience, and the willingness to make a positive difference. It nurtures young individuals who are prepared not only to guide their peers but also to become responsible citizens and future leaders beyond the school campus.

LEADFORGE JOURNEY

Leadership is not given, it is discovered, practiced, and lived.

01

PHASE - 01

STEP FORWARD

Leadership Interviews

Every leadership journey begins with self-belief. Through thoughtful interviews and meaningful interactions, students were encouraged to reflect on their strengths, values, and aspirations while demonstrating the confidence and character expected of future leaders.

02

PHASE - 02

FIND YOUR VOICE

Student Campaigns

Students confidently presented their ideas, vision, and commitments to their peers through inspiring campaign speeches and interactions. This stage nurtured communication skills, public speaking, and the courage to stand for meaningful change.

03

PHASE - 03

MAKE YOUR CHOICE

Democratic Student Voting

Learners actively participated in a transparent voting process, experiencing the values of democracy, fairness, and responsible decision-making. This important stage reinforced the significance of every voice and every vote.

04

PHASE - 04

RISE TOGETHER

Results & Leadership Orientation

The election results were officially announced by our Chief Operating Officer, **Mr. Rengarajan**, marking the beginning of a new chapter of responsibility. Newly elected leaders participated in orientation sessions that emphasised teamwork, accountability, and leading with humility.

INVESTITURE CEREMONY

2026-27

“The future belongs to those who lead with integrity, inspire with compassion, and serve with purpose.”

On 30TH July 2026, Aikya World School proudly celebrated the Investiture Ceremony, marking a significant milestone in the leadership journey of our newly elected Student Council. The ceremony symbolised far more than the presentation of badges and responsibilities—it represented the trust, confidence, and values entrusted to students who wanted to attend the potential to lead with character and purpose.

The occasion was graced by our Founder Mr. Mohan Babu Krishnam, Co-Founder Mr. Harish Krishnam, Chief Operating Officer Mr. Rengarajan M, Ms. Deshna M Vanshika, and our distinguished Chief Guest Colonel Vinayaka, an alumnus of the prestigious Indian Military Academy who served the nation with distinction for over twenty-one years across diverse operational environments.

Drawing from his remarkable journey in the Indian Army, Colonel Vinayaka inspired our young leaders to understand that true leadership is built upon discipline, resilience, humility, and unwavering commitment to serving others. His words encouraged students to lead not for recognition, but for the opportunity to create a legacy of service. Each learner reflected a promise to uphold the values of integrity, responsibility, respect, and service. The ceremony reflected Aikya's unwavering commitment to nurturing confident, compassionate, and future-ready leaders who inspire positive change within their school and beyond.

OUR LEADERS LEAD WITH

INTEGRITY

Doing what is right, even when no one is watching.

RESPONSIBILITY

Owning our actions and contributing to the community.

RESPECT

Valuing individual and their unique contributions.

SERVICE

Putting others first and making a positive difference.

LEADERSHIP

Inspiring others and creating a legacy of excellence.

A MILESTONE OF EXCELLENCE

Service Excellence in the Field of Education

Aikya World School was honoured with the prestigious Excellence Award presented by Vijaya Karnataka and Bangalore Mirror, recognising the institution's continued commitment to excellence and holistic development. The award was presented by Sri Shivanand Patil, Honourable Cabinet Member, during a distinguished ceremony held at The Chancery Pavilion, Bengaluru.

This recognition reflects the unwavering dedication of our educators, students, parents, and leaders who have made a positive impact in environment where innovation, values, academic excellence, and character development flourish together. By outstanding individual achievement, it celebrates a shared vision of nurturing future-ready learners equipped to contribute meaningfully to society.

PASSPORT TO PLAY

A Summer of Discovery

Passport to Play was an immersive summer programme that inspired children through creative, hands-on, and cultural experiences outside the traditional classroom. By exploring global themes and engaging in collaborative activities, learners developed essential skills like problem-solving, communication, and teamwork while gaining confidence and discovering hidden talents. The program ended with a grand celebration of the students' personal growth, new friendships, and inspiring journey of self-discovery.

"The greatest learning begins when curiosity meets experience."

LEARNING BEYOND CLASSROOMS

— *Every Experience Becomes a Lesson* —

At Aikya World School, meaningful learning extends far beyond textbooks and classrooms. Every interaction with experts, every celebration, and every real-world experience becomes an opportunity to inspire **curiosity**, **nurture empathy**, and **broaden perspectives**. Through thoughtfully designed programmes and experiential learning opportunities, students develop not only knowledge but also the **confidence**, **values**, and **life skills** needed to become **compassionate** and **responsible global citizens**.

BEYOND TEXTBOOKS

Learning that connects concepts to real life.

EXPERIENCES THAT INSPIRE

Encounters that ignite curiosity and imagination.

VALUES FOR LIFE

Building empathy, integrity, and global awareness.

SKILLS FOR TOMORROW

Nurturing confidence, creativity, and critical thinking.

TOGETHER WE GROW

A community that learns, supports, and uplifts.

“

*The world is our classroom. Every experience is a **lesson**.*

Inspiring FUTURE LIFESAVERS

NATIONAL DOCTORS' DAY

National Doctors' Day was celebrated as a heartfelt tribute to the remarkable individuals who dedicate their lives to healing and serving humanity. Students were privileged to interact with **Dr. Ashok Jain**, whose inspiring words encouraged them to understand that medicine is not merely a profession but a lifelong commitment to compassion, courage, and service. Through meaningful discussions and thoughtful interactions, learners explored the importance of **empathy, dedication, and kindness** in transforming lives. The session inspired children to dream with purpose and appreciate the profound impact that service to others can create.

Roaring for CONSERVATION

INTERNATIONAL TIGER DAY

International Tiger Day transformed wildlife conservation into a memorable learning experience through an inspiring interaction with **Ms. Amala Medikepura Anil**, Education Officer, Bannerghatta Biological Park, Bengaluru. Students explored the **ecological importance** of tigers, examined **life-sized paw impressions**, and discovered how conservationists protect wildlife through **scientific observations and research**. The session concluded with a heartfelt **Wildlife Conservation Oath**, encouraging every learner to become a responsible guardian of nature. It was a powerful reminder that protecting biodiversity begins with **awareness, curiosity, and collective responsibility**.

*“Awareness today, a safer tomorrow.
Protect wildlife, protect life.”*

GROWING GREENER TOGETHER

A SPECIAL ENVIRONMENT EDITION

World Environment Day reminded our learners that protecting nature begins with small, meaningful actions. Through engaging activities, thoughtful discussions, and creative initiatives, students explored the importance of environmental conservation, sustainability, and responsible citizenship. Every activity encouraged learners to appreciate the interconnectedness of nature while understanding that each individual has the power to create positive environmental change.

At Aikya World School, environmental education is woven into everyday learning, nurturing young minds that care deeply for the world around them. By encouraging **curiosity**, **responsibility**, and **action**, we empower students to become thoughtful custodians of a greener and more sustainable future.

Did You Know?

- A mature tree can absorb approximately 22 kilograms of carbon dioxide each year.
- Bees play a vital role in pollinating nearly one-third of the world's food crops.
- Small sustainable habits can collectively create significant environmental impact.

LEARNING BEYOND INFRASTRUCTURE

Spaces that inspire. Facilities that empower. Futures that flourish.

MAKING A SPLASH

SWIMMING POOL INAUGURATION

The inauguration of Aikya's state-of-the-art, **temperature-controlled swimming** facility marked a significant milestone in our commitment to holistic education. More than just a sport, swimming enables students to develop strong water confidence, discipline, resilience, and essential life skills under expert guidance. The new facility provides a comfortable and enriching environment for physical well-being, confidence building, and lifelong fitness, while adding a valuable dimension to every learner's educational journey through experiential learning.

WHERE CHAMPIONS ARE MADE

SOCCER FIELD INAUGURATION

The inauguration of our dedicated soccer field introduced students from high-level environments where teamwork, determination, and sportsmanship come together. As students step onto the field with enthusiasm and excitement, they discovered the importance of **discipline, perseverance, collaboration, and healthy competition**. Every training session now becomes an opportunity to nurture confidence, resilience, and the spirit of excellence through sport.

BUILDING MEMORIES BEYOND ACADEMICS

CELEBRATING THE BOND BEYOND WORDS

FATHER'S DAY

Father's Day created unforgettable moments as fathers joined their children for meaningful activities, collaborative games, and joyful experiences. The celebration strengthened family bonds while reinforcing the importance of *encouragement, trust, and shared experiences* in a child's development. It beautifully reflected the partnership between home and school in nurturing confident and compassionate learners.

WELLNESS BEGINS WITHIN

INTERNATIONAL YOGA DAY

Students enthusiastically participated in International Yoga Day by exploring the importance of *mindfulness, physical fitness, and emotional well-being*. Through guided yoga practices and demonstrations, learners experienced how *discipline, focus, and inner balance* contributes to a healthy lifestyle. The celebration encourages individuals to embrace *wellness* as an essential part of lifelong growth.

A SYMPHONY OF TALENT

WORLD MUSIC DAY

World Music Day celebrated the joy of music through inspiring choir performances that filled the campus with harmony and creativity. Students showcased confidence, collaboration, and artistic expression through demonstrations, the unworldly power of creativity, inspiration, and *uplift* communities. Every performance reflected the vibrant creative spirit nurtured at Aikya World School.

*"The best memories are made
together — in learning, in laughter, in life."*

WHERE EVERY TALENT FINDS A STAGE

Every child possesses unique talents waiting to be discovered, nurtured, and celebrated. At Aikya World School, competitions are thoughtfully designed to inspire **confidence**, **encourage creativity**, and provide meaningful opportunities for students to express themselves beyond the classroom. Each experience strengthens **communication**, **critical thinking**, **collaboration**, **resilience**, and the **courage** to embrace new challenges.

Rather than competing against one another, our learners compete with their own potential—discovering that **growth**, **perseverance**, and **participation** are the true foundations of excellence.

TINY VOICES, BIG CONFIDENCE

SHOW & SPEAK COMPETITION PRE-PRIMARY

“

For many of our youngest learners, Show & Speak marked their very first opportunity to confidently express themselves before an audience. As children introduced their favourite objects and shared their thoughts with enthusiasm, they strengthened vocabulary, communication, self-expression, and stage confidence in a warm and encouraging environment. Every presentation reflected growing curiosity, imagination, and the courage to share ideas with others.

More importantly, the competition helped children discover that every voice matters and that confidence grows with every opportunity to participate.

EVERY STORY INSPIRES

TALESCOPE STORY BUILDING COMPETITION GRADES 1-3

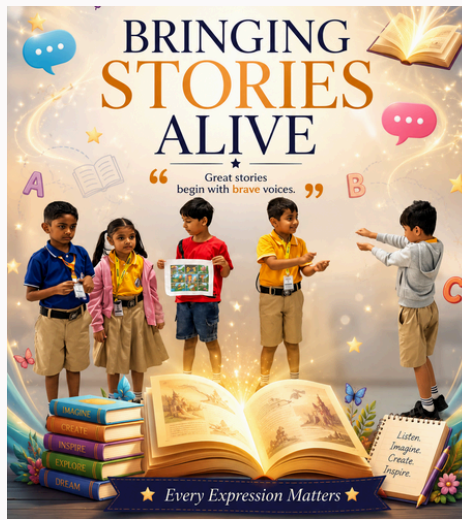

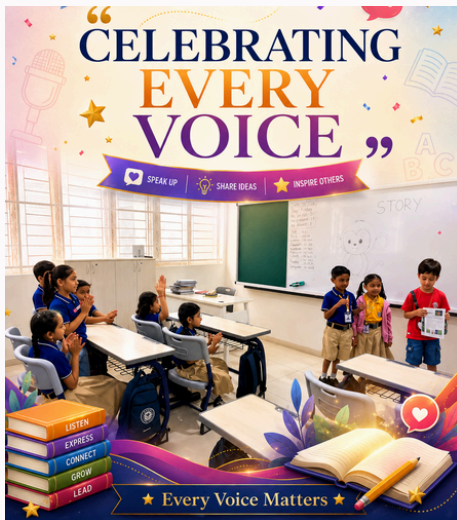

Stories began with an idea—and imagination took it from there.

Talescope brought learners together to build stories, one idea at a time. Working in teams, they transformed simple prompts into imaginative worlds through shared narration, expressive gestures, creative thinking, and confident presentation.

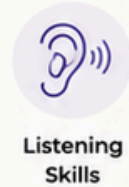

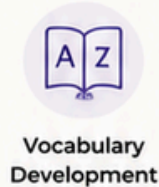

As each story unfolded, so did valuable skills—communication, listening, collaboration, creativity, and problem-solving.

But Talescope was about more than telling a story. It was about building one together—where every learner contributed an idea, every voice shaped the narrative, and teamwork turned imagination into an experience.

Because the best stories aren't just told. They are created together.

A Short Story by Saanvi Jain | Grade 6

THE WHISPER IN CLASSROOM 13

It was a rainy Monday when Aarav stayed late at school to finish his science project. Soon, the lights began to flicker. One by one, every classroom became dark — except Classroom 13.

Curious, Aarav walked towards it. The door was slightly open. Inside, he saw an old wooden desk covered in dust. On it lay a notebook with his name written on the cover.

His hands trembled as he opened it.

The first page read: **"Do not turn around."**

A cold breeze touched his neck. He froze. He could hear slow footsteps behind him...

Tap... Tap... Tap...

His heart pounded. He wanted to run, but his legs refused to move.

The notebook slowly turned to the next page by itself.

"It's standing right behind you."

The footsteps stopped.

Everything became silent.

Then a soft whisper filled the room:

"You read the last page..."

The classroom door slammed shut.

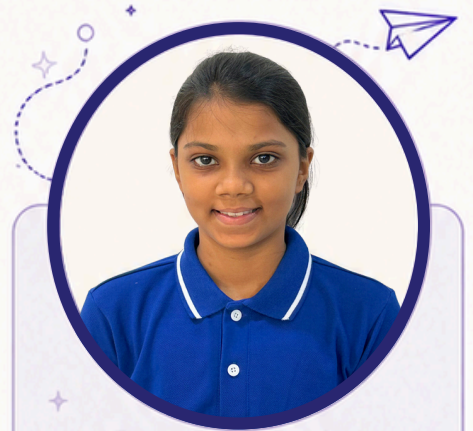

The lights went out.

The next morning, Aarav went missing.

Only his notebook remained on the desk.

On the last page, a new message had appeared:

"Who's next?"
